Dear Members/Well-wishers,

Oct 8, 2010

Lights of Healing annual Gala– Bowlathon 2010

Canadian Medical Dental Development Association is proud to announce the details of our annual fundraiser event for this year - Lights of Healing 2010 Bowlathon on **Saturday November 13th**.

This year our proceeds will be going to the **Development of a Tamil wing and Tamil resident meal and other support programs at Seven Oaks long-term care homes** (Neilson and Ellesmere) owned and operated by the city of Toronto.

As you can see the format of this event is going to be different this year in which you can bring your family/group and bowl, enjoy the dinner and mingle with the group.

We invite all of you to join in to support this event to empower lives of our seniors in this home and to pave way to improve long term care access for the Tamil community in the future.

Our commitment to support post war rehabilitation in Sri Lanka through MIFT is ongoing. Building a mental health unit in Mannar is the last major project we completed. You are welcome to talk to one of us for project updates back home.

We look forward to your support in this venture to make this event successful.

Thank you,
Dr Santhakumar &
Board of directors/Organizing committee
